**Easy onboarding and takeoff with password management.**

The logo for bitwarden, featuring a shield icon with a white outline and the word "bitwarden" in a bold, lowercase, sans-serif font.

Easy onboarding  
to take off with  
password management.

A dark blue silhouette of an airplane in flight, positioned in the upper right quadrant of the blue background.A stylized illustration of a hand holding a smartphone. The phone screen displays a password field with several asterisks. The background is a gradient of blue and white, with several blue asterisks scattered around the phone. The overall style is clean and modern.

Getting started with  
Bitwarden is easy. Start  
keeping your logins secure  
today, and readily import  
logins from anywhere. You'll  
be flying securely in no time!

**Say no to Post-It notes.**

# bitwarden

Say no to Post-It notes.

While it might seem convenient, sticky notes are not secure and you never know who may be lurking. Keep your sensitive information in an encrypted password man-

**Don't rely on luck for your password security**

 bitwarden

Don't rely on luck for  
your password security.

You might think, "It won't happen to me."  
Better to think twice and go beyond luck  
to ensure you stay secure and protected.
